

## 2771 WINDERMERE AVENUE CUMBERLAND, BC

Built in 1991 this solid little house has loads of potential. Expand on the good bones and create a quality family home in a great area. Or if a downsize is what you are looking for, with some fresh decorating ideas you can create the perfect retirement oasis. The large level lot provides loads of space for vegetables, fruit trees, games, gardens and relaxation, shade or sun it has it all. The nice size shop is wired, has an overhead door and cozy woodstove.

The wide property has a driveway front to back. There is RV parking, room for boats and trailers and so much more. Cumberland is a hub of recreation, hiking, mountain biking, and boating. The perfect home in a perfect community.
